

## Daily Devotion

### *August 12 - John 10:10 - Fill it up!*

Hello and thanks for joining in on today's daily devotion. Today is Friday, August 12th. The sixth day of the Hebraic week.

Our verse today is John 10:10.

John 10:10 The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.

What kind of life are you living? Yeshua said that He came to give us life to the full. So are you walking in that life? Seriously. Are you walking in His life to the full?

Now, here's a silly question. When people get robbed, do they ever see the robber? Of course not. If they did, they wouldn't let themselves get robbed. Right? So do we really think the enemy is going to stand in front of us and say "Excuse me. I'm here to steal your joy."

The enemy will constantly look at opportunities in our life to steal that fullness of life from us. We simply have to be on the lookout.

I've once heard it said "Medical technology may add years to ones life, but only YHWH can add life to ones years." It's up to us to walk in that fullness of Life. We have to choose to walk in it every day. If you need reminded, say to yourself every morning "Fill it up!"

Let this be a focus in your time of meditation throughout the day. Until tomorrow, shalom!
