### *Eyes on YHWH - Philippians 1:4,5*

Welcome to Scriptures for Life with TorahFamily.org. Taking time to focus on the Father's way.

Phil. 1:4 In all my prayers for all of you, I always pray with joy 5 because of your partnership in the gospel from the first day until now,

I can honestly say that I know exactly what Paul is saying here. When people come behind someone and supports them, there is a tie there. We truly can't wait to get to the other side of eternity and personally thank every single person for all they have done for us.

From supporting us financially, to praying for us on a daily basis, to even being willing to share our teachings with others. There is such a joy that simply can't be put into words.

I say this to encourage you to get behind a ministry that you believe in and support it. Even if you are unable to financially support it, support it with faithful prayers everyday. Just be careful not to trust in man. Man will let you down at one point or another. Paul himself was a man with faults that people still supported. Just remember, whoever you are supporting, keep your eyes on YHWH.

Let this be a focus in your time of meditation throughout the day. Until next time, shalom!
