Everyday - Exodus 4:29-31

Welcome to Scriptures for Life with TorahFamily.org. Taking time to focus on the Father's way.

Ex. 4:29 Moses and Aaron brought together all the elders of the Israelites, 30 and Aaron told them everything YHWH had said to Moses. He also performed the signs before the people, 31 and they believed. And when they heard that YHWH was concerned about them and had seen their misery, they bowed down and worshiped.

We've all been in those times where it just feels that YHWH doesn't see us, hear us or care about us. It's in those times that it feels like our prayers are dissipating into the air. Deep down inside we know that's not the case. However, what we know and what we feel doesn't always line up together.

If you're going through a rough time right now, remember, YHWH really does care about you. The circumstances and situations you may be in might cause you to feel otherwise, but we can't go on feelings. Feelings change from day to day. We all need to hear YHWH cares about us. The best way for that to happen is to get in the word. We need to hear from YHWH everyday.

Let this be a focus in your time of meditation throughout the day. Until next time, shalom!
