Leading the Way - Mark 10:32

Welcome to Scriptures for Life with TorahFamily.org. Taking time to focus on the Father's way.

Mark 10:32 They were on their way up to Jerusalem, with Jesus leading the way, and the disciples were astonished, while those who followed were afraid. Again he took the Twelve aside and told them what was going to happen to him.

If there is anything we should take note of here it's that Yeshua was leading the way. There is so much here in these verses to cover. However, sometimes I believe we forget that Yeshua is supposed to be leading the way all the time.

Think about this for a moment. What did you do yesterday? If your life was being written down, could it have been said that Yeshua was "leading the way" in what you were doing? How often do we really focus on having Him lead the way in our life? Oh, don't get me wrong. We all know He's supposed to lead the way and I know we all talk about it to others. However, knowing and talking can be completely different than doing.

Is Yeshua leading the way in your life? How well are you doing at following His lead?

Let this be a focus in your time of meditation throughout the day. Until next time, shalom!
