### ***Priority - Matthew 25:21***

Welcome to Scriptures for Life with TorahFamily.org. Taking time to focus on the Father's way.

Matthew 25:21 “His master replied, ‘Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master’s happiness!’

Do you have a mindset of being servant? Do you live your life for what you can get or for what you can offer YHWH? We need to note this individual was a faithful servant. Meaning, he didn’t just claim to be a servant, he lived it. It wasn’t just about do’s and don’ts. It was lifestyle of submission to the Father. Following His every command at will.

Because this individual was faithful with a few things, he’s put in charge of many things and then invited to share in his masters happiness. What has the Father given you to be faithful with? All of us have something He’s given us to do. And we can’t forget He also gives us tasks from day to day that may vary in purpose and cause. Are you being faithful with what He’s giving you?

Make it a priority to examine your life to make sure you’re faithful in what He speaks to you.

Let this be a focus in your time of meditation throughout the day. Until next time, Shalom.
